“ *Teresa was a wonderful lady. She was friends with my mother for a bit more than two decades. Their friendship always meant a great deal to both of them and I was always grateful that my mother had found a real friend. Three years ago, when my grandmother was passing, Teresa was there to offer support and offered any help she could give. There were a couple of times that I was there, in Rushville, alone with my grandmother. I had never had such an overwhelming mix of sadness and sorrow. Teresa, in her uniquely usual way, cheered me up and made me laugh. That was the only time that I had ever been alone with Teresa, but I will never forget her kindness and loving energy.*

“ There was never a time that I spent with Teresa that we didn't tell each other how much we loved each other. Always fun and never a dull moment from riding in a car singing, to meeting in Glenwood when we plowed, to just giving her a hug on the jobsites. I will miss my friend so much, but I am so glad she has gained her angel wings officially. (she always had them you just couldn't see them on Earth) and I will see her someday again.

My name is Andre and Teresa was my brother's wife many years ago. I respected her as my sister in law and she was good for my brother Julon. She was a giving person and always had a smile. I am so blessed to be able to see her before she left this place. We all have lost a lot!
