“ *I was very sorry to learn from my cousin Mark Noel of the passing of our Aunt Theresa. Although I didn't know Aunt Theresa as well as I knew some of my mom's other siblings (Tony, Rose Ann, Rita), Theresa was always nice to me. And she had a lively sense of humor, characteristic of the Hoods generally. I know that she will be greatly missed. My condolences to all her family and friends.*

“ Grandma was always so kind and worked so hard her whole life to take care of everyone. I always enjoyed when she would visit my mom Tammy and I in Rushville or when we would visit Grandma Theresa at her home. Sometimes we would find her at the Connersville McDonalds with her brother Tony.

*I will miss her very much and think about her every day. I will never forget about her and all the times we did things together like looking at coins for special years or going to the park in Connersville. She would enjoy going to look for unique items or collectables at flea markets and always knew the perfect gift to get me for my birthday. May she rest in peace, she was a strong woman and someone who I always looked up to.*
