“ *So sorry to hear the news of Tom's death. He was a great guy and teacher. He also worked part time in my dad's store in Rushville. He was so friendly, warm, and kind. God places a few memorable people in our lives, and Mr. Shelton was one of those people for many of us!*

“ I wish to extend my condolences to the family of Tom Shelton. It says something about this man when I say I remember him as one of my favorite teachers in 7th grade sixty-two years ago. When I see photos of him as a young man, it still brings a smile to my face.
Sincerely, Gregg Mauzy McManus

I can still picture the science class room in the basement of the old Jr High School. Wow. Long time ago. Still remember ROY G BIV for the colors of the rainbow! Funny how that and Home Ec class stick in my mind, but not much else. Mr. Shelton certainly was kind. So sorry for the family's loss. Prayers for all from Florida. Glad to have known him.

“ Tom Shelton was an amazing teacher, coach and mentor in Jr. High. He used to run the North end park in the summertime. His favorite saying was "organized play and recreation". Once Tom, myself and Bill Long went to Connersville to umpire a Little League regional all star game. We didn't get home until 1:00 in the morning 🌅!! (Lol)...

“ Tom gave me my favorite saying, "Love makes the world go 'round, but money greases the wheel. He was a great man, mentor and teacher. Always had time to talk with you. He will be greatly missed.

“ Of all the teachers I had during my school days in Rushville, Tom Shelton was the best. I am now 73 years old and still admire him as a teacher, mentor, coach and friend. We were all blessed to have Tom as part of our lives.

I failed to mention that, I too, graduated from Franklin College and was always proud to be a fellow alum of Tom's.

“ He was one of my very favorite people. I'm grateful I got to visit with him last time I was in Rushville. He was as ornery as they come (one of his many charms) but he was an absolute marshmallow under that 'gruff' exterior. I will miss him terribly.

“ I was one of Mr. Shelton's students and he was such a fine teacher who taught more than science, but also taught kindness through his example. May he rest in peace and condolences to the Shelton family.

“ Mr. Shelton was a fine man and educator. I'm glad I met him in 1986 at Benjamin Rush Middle School. I'll miss his sense of humor and witty conversations. I'm glad my daughter and I had the chance to visit with him in late June.

“ We loved going up to the lake for years and seeing our Rushville friends. Tom and Beth were special friends and we have a heart full of memories. Now all the group are together again❤️. He always called Tom Tommy and me little Miss Mary Gabbert and remembered where I sat in his 8th grade science class. Ted, Tim and all the family our thoughts and prayers are with all of you.

“ Tom was such an energetic, dedicated man who loved his family and life. I babysat for Tom and Mary Beth when Ted and Tim were little guys, sat in Tom's 8th grade science class and learned about Roy G Biv, and taught in the classroom above Tom's for nine years. The world has lost a fine man. My sympathy to Ted, Tim, and their families.
