“ *Nancy, Janna, Kelly, so very sorry to hear about the passing of Todd. I lost touch with him back in the 80's. He was always a great childhood friend and then later in life we hooked up for drinks. I wanted to attend his funeral but I was out of state. Please know I was thinking of you all with a very heavy heart. Thinking of you all.*

“ Todd so many memories come to mind and they all make me smile and laugh. My favorite memory was the time we were all on the houseboat together. One evening we were sitting around talking about family and how we were related to each other. It was at that time you came to realize that your grandmother. Margaret, had passed on long before you were born. Then the light bulb went off and you realized that the lady you knew as Grandma was your Step Grandma but you kept repeating....."I had a fake Grandma?" We laughed so hard. Thanks for the memories Todd and for being one awesome cousin!
