“ *This is the Rutan family from Cicero. We were so upset when we heard about Tracey. I've left my contact information with the mortuary if someone could please contact me. Thank you, Beth and Scott Rutan*

“ *She was my therapist. She was a wonderful therapist and person. I am a little shook up here. I'm so sorry for your loss. There are lots of things from our sessions that will stick with me, things I wish i could ask her about too. She saw a lot, and extended her kindness and sense of humor as well as her ear, mind, and heart. She loved learning and was a lifelong student and teacher. My sincere condolences to her family and close loved ones.*
