“ *I did not know Wayne well but in our brief day together I was very delighted with his sweet presence and kindness! He was such a loving and devoted husband to his wife Nancy who he adored from their very first meeting, I thought how good God is to provide this "match made in heaven". I know Wayne will be watching over his beloved Nancy every day and that there can be no separation between them, Life is eternal and Wayne continues to grow on his new pathway until he is reunited with Nancy on their journey,
Love,

“ *Such a hardworking, gentle, kind and loving man! So grateful that Nancy and Wayne were able to have almost 20 years of marriage together! They were always ready to take a little time to host friends coming in from the big city to enjoy the Country side. Especially the picnics at the Maucy estate at the custom build picnic table, under the huge big tree! It was also a joy to see all the buildings Wayne restored at that site! Knowing that the Love that united Wayne and Nancy and Sadie will forever shine brightly without interruption* 💖 Christine Endicott 💖
