“ *Wayne and I started at Richland Grade School together. I always chuckle when I think of the time that in the 2nd grade (or maybe 1st...??) we both had to stand in the hallway for not paying attention in class. Well, we did have good reason though as we were watching a mouse run along the baseboard of the class room by the coat closets. Where the mouse went, I do not know, as we were sent to the hallway.May Wayne RIP with his parents..... Janet L (Gruell) Bedel*
