*Lackey Pooh as my children called you. You will be missed and always in my heart.. You have been a part of my life for 42 years. You had a kind heart and I have so many memories of you. We had our ups annd downs, but we were like family. You not only worked at your many jobs but you also was a loving man who helped take care of Stacy, Dudley and Dylan when they were small. There were times in my life my friend that I don't know how I could have made it without you, So thank you my friend for the memories. May you rest in peace with no more pain. My condolences to all the family.  
With Deepest Sympathy,  
Cathy*
