“ *RIP Billy Bob. Many memories of you growing up from seeing you across the street at your brother Dick's house to you being "behind me" making calls in Little League. I swear you were trying to distract me as the catcher!*

To Dick, Goldie, Cindy, Steve & Kim: While it has been many years, my condolences to all of you.

Doug, It's hard to believe we were talking last week about your Dad & family. You and your family are in my heart and mind during this time of remembrance. My condolences on the passing of your father.
