“ *Karen, I have awakened feeling nauseated and sick to my stomach. I had so much wanted to get to the funeral home, and I am so very sorry that I cannot. Please know that my thoughts and prayers are with you and your family over the loss of Bill. I hope that he can now find peace in Heaven, a peace that seemed to elude him here on earth. You were a wonderful, loving, and caring mother to him under some difficult circumstances. I believe that maybe he realizes that now. May God bless you and your extended family in this time of sorrow. Much love to you.*

“ We watched Billy, as I called him grow up from a little blonde, curly haired boy to a very wonderful young man. He always said, *Is that right?*, whenever we talked. He was a Daddy's boy and loved his family dearly. We will dearly miss that smile and sense of humor. He was always the first one to ask, *Mom, are we ready to eat yet?* Always joking around, which I am sure he is doing now with his Dad and friends who have passed before him. Our prayers goes to Karen, Nicki, Dusty and his children. He will be missed so very much. We love you Billy, rest in peace honey.

“ *Karen and Nikki, We have not touched bases with your family in years. In our eyes we remember when Bill was playing little league ball -- Larry was his coach. I inherited a team of our kids. They were a great bunch of boys to work with!!! We still talk about all of them. Bill had a bunch of catchy phrases back then :) Our favorite one was: He always said "seriously" when everyone thought he was joking.*
We will always love and miss him - please know that you can count on us for any thing you might need. We send you both our love.

“ Karen and Nikkii, I am so sorry for your loss. Bill was another brother to me. I will miss him. I just know that Jeff and Tom are with him again. He was a great friend and dad. When I think back to many years ago, I can still hear him saying " Now Janie you know we didnt break that lamp it just fell of the table" as they both were looking guilty. Love and miss him. Sending prayers to the two of you and the kids.

“ Bill was a man that walked tall, he was a man that could always brush things off with a smile and never let things get to him... Always joking and never a moment without a smile on his face... He was a great friend and always new how to make people laugh in the times of need.. I was saddened to see and hear of the passing of an awesome person. I certainly will miss ya friend!!
