“ *Hello, I am William's Niece, Ercell. I was named after my Aunt, one of William's sister's who preceded him in death. "A brother" was my Dad Paul Wells who preceded him in death. Williams other sisters who I know of who preceded him in death was: Elizabeth Wells; Dorothy Wells, and Irene Wells. I adored my Uncle William. Not only does his death (almost eight years ago) grieve me, but the fact that the family did not inform me of his death-specifically his son, Phillip who has my contact information. I attempted to stay in touch through my Uncle William through Phillip, who "ghosted" me after I disclosed I was a Christian. SHAME on you Phillip. I wonder if my Aunt Blanche is still living...this is all so grievous. ~ Ercell (Wells) Somerville*

“ Dear Jesse, and the Morton family, The first time i met Bill he was driving in his car dropping off Jesse at his house and to be honest all the other times i saw Bill he was also driving his car. "I remember his smile" He didnt say much but i felt like I'd known him my entire life not just the short time that I've lived here. I am so sorry for your loss and may god comfort each and everyone of you during this time of sorrow.
