“ I worked with Billy at the Coop in Rushville. I am so sorry, I just ran across his obituary when I was looking for someone else's. Billy was a wonderful person. My kids were little when we knew him and they called him Bill with the "fat belly" He didn't mind, he was crazy about my kids. We had a employee outing to Kings Island one summer and I have pictures of Bill and my kids with one of the cartoon characters. He has always had a special place in our hearts. Sorry I haven't kept in touch and was so sorry to hear of his passing. My heart goes out to all of you.
