“ *One of my fondest memories of Mike was when I had the privilege of being in the high school play " Don't Drink the Water! " with him. Of course Mike had the leading role and he stole the show! I was looking thru some papers & found pics of the 15 yr. reunion in 1990. Mike commented then on his love for buying and selling antiques. No matter the occasion, Mike always put a smile on my face. He will be dearly missed. My condolences to Mikes family & life long friend Sandy.*

“ My condolences to Mike's family. Mike was a truly unique man. I remember theatre productions we were in together in high school...what fun! After high school Mike got an apartment and he named it "Mike Lacy's House Of The Past". I had a "Mr. Fix It" business then, and I helped Mike install a vintage gas stove. Miraculously, we managed not to burn down the house! Mike, you will be missed by many.

That brought back SO many memories of when you and I were there and got such a kick out of his Betty Boop clock that had the eyes moving back and forth. Mike was a truly original man and funny beyond belief. I am very sad to learn of his passing.

I miss you, Mike. I remember bringing you mixtapes of 1920s music when you worked at the Blue Sun Gallery in Broad Ripple. Rest in peace, old friend.
