“ *I was saddened to read of Nick's passing. It was through working at Greenwood Village that I knew him. Nick was kind, cheerful, helpful, friendly and always spoke when he would see you. One night as I was leaving work, my car got stuck in the snow and ice. I was trying unsuccessfully to free it when Nick came along on his rounds. He got a chain, crawled under my car (in the wet cold snow) hooking it to the car, then to the truck he was driving---pulled my car free. Thanking him profusely, he just smiled and said, " I'm glad I could help." I will never forget that special, unique character that brings a smile when we think of him. My thought and prayers are with his family.*

“ Nick was a great guy -kind and caring. He was a wonderful husband to Marsha and to my sister Cheri before her death. We were delighted when Nick and Marsha met and decided to marry. In fact my sister Carol Meyer introduced them and my brother in law Mike Ennis married them! I am only sorry that their marriage didn't last for many more years. He will be missed. – Christine Dahlberg
