“ We had a lot of good times together- going to hear her "boys" sing, our trip to St.Louis, church functions, and just sharing a meal together. My favorite meal she would fix was roast pork(cooked in her special dutch oven), mashed potatoes, & lima beans. And of course the pies!!! I will always have fond memories of our time together. Thank you for allowing me to continue to visit with her at Ashford Place.

“ *Jeannie is a part of our family stayed with my parents when she graduated, worked in the pool room they owned and has shared in all our family events. Her children are adopted cousins. We have made so many gallons of homemade ice cream and celebrated many holidays together. She was a wonderful mother to her children, a good friend and fun person to be with. Jeff especially loved her cherry pie. She will be missed. Jeff, Rodella and family.*
